## OBJECTIVE

The objective of this document is to clearly outline the discussed changes to the current project scope, and to detail the specific modifications required. This document aims to ensure all stakeholders have a comprehensive understanding of the requested changes. By providing a thorough analysis for these changes, we seek to facilitate informed decision-making and ensure alignment with the overall project goals and objectives.

## FEATURE ADDITION

An enhancement to the existing iOS mobile application introducing a new **Spiritual Dating experience**, alongside the already available **Non-Spiritual Dating** module, a **Pen Group Club** for user interaction, and **Mentor-based onboarding**, along with necessary Admin Area enhancements to manage users, mentors, and approvals efficiently.

## MOBILE APP (iOS)

### Onboarding & Entry Flow

- Upon signup, users are presented with main options:
  - Dating
  - Pen Group Club
- Based on user's previous activity:
  - Users directly land into their joined section (Spiritual / Non-Spiritual / Pen Club)
